About 2.30 Tuesday afternoon while Peter Nawrocki, the four-year-old son of Peter Nawrocki, the Polish grocer and express man of Yantic, was playing at the rear of his father's with his sister and another playmate, Raiph Gibbs, he tumbled off the high rock and fell into the canal while watching for fish.

The mother and hired man were quickly on the scene and tried to have the little fellow catch a pole which they hung down into the water. Too frightened to do anything the body sank, and his father hurried to the station agent. Mr. Gibbs had a rope fastened around his waist, which ensabled him to wade across the canal and along the side where the body was laid on the bank near the bulkhead and covered and watched by Dr. Howe until the medical examiner, Dr. Rush W. Kimball, arrived to drowning and gave the parents permission to remove the body.

The Admore Woolen company was asked to draw the water from the canal, which they did quickly, shutting off the upper gate, and a large crowd gathered to look for the body.

They may not do so if the law should try to compel them. Mr. Chase told of how Republicans go to conventions feel very important and after a day or so are told who the candidates are. Then they vote for them. The delegates had nothing to do with the selections. ## CANAL BIG SECRET-IF YOU HAVE GRAY HAIR

Restore Color by Action of Air. No Dys-Nature Does It.

Haven't you often wondered how friends of yours whom you kknow to be older than you keep themselves looking younger by retaining the natural beauty and youthful color of their hair? They undoubtedly use Hay's Hair Health. Hair Health.

In no sense whatever is Hay's Hair Health a dye. It is a combination of ingredients acknowledged to be best for stimulating the hair and creating a healthy scalp. Added to these is another wonderful element which so prepares each gray or faded hair that the AIR with which it comes in confact brings back the natural color. Harmless, yet positively sure. This has been proved in hundreds of thousands of cases. If Hay's Hair Health, which is sold in 250¢ 5tc and \$1.00 bottles, falls in your case, all druggists who sell it will refund full price. This they say they have instructions to do by the makers. Philo Hay Specialities Company, Newerk, N. J. From their reports of sales it would seem that Hay's Hair Health is by far the most popular preparation of its kind ever sold in Norwich.
